Child & Family Counseling & Resource Clinic

831 EAST WASHINGTON AVENUE

MADISON, WI 53703

In addition to clinical duties, staff at The Rainbow Project provide training, workshops, & consultation to daycare centers, human service agencies, parent groups, & others, covering a variety of topics.

This document includes a listing of specific trainings offered by The Rainbow Project (below), as well as an explanation of how to schedule such presentations for your group.

FORMAT...

Each presentation may include lecture, video, PowerPoint, role-play & other demonstrations, as well as handout materials, resources & references.

AUDIENCES...

Intended audiences include child care providers, teachers of young children, foster parents, social workers, parent aides, pediatric nurses, law enforcement & juvenile court officers, & other mental health providers working with young children & families.

SCHEDULE A PRESENTATION FOR YOUR GROUP...

If you are interested in scheduling The Rainbow Project to provide training for your group, or have more questions in this regard, please contact the **Referral & Community Programs Coordinator** directly at (608) 255-7356, extension 316.

FEES...

At that time, also inquire about the current fees for trainings.

TIMELINE...

We generally require 4-8 weeks advance notice, if possible.

LOCATION...

Trainings are generally provided in Dane County, Wisconsin. Staff are willing to travel outside of that area, however, transportation fees then apply.
